The (GOEC) have a process for dealing with disclosure/s from the Access NI certificates.

The (GOEC) are responsible for explaining the need for an Access NI check to the applicant and making them aware of the requirements for completing an Access NI check at the relevant level and the availability of the Access NI Code of Practice covering this.

All applications must be made through the Access NI online system, (except where an applicant requires support due to a specific need or condition). The 6 digit Pin Number required for this process is available on the applicants PinID&Notification form available at <http://www.youcanhelp.org/services>

It is the responsibility of the individual making an application to ensure they record accurate and up to date information on the system and present correct documentation to verify their identity.

When the online application has been completed the applicant must contact lead signatory Seamus for an appointment (Tel:07843478433 or Email:youcanhelp@live.co.uk) to verify their ID documents. The list of suitable documents is contained on page 2 of the PinID&Notification form.

All applications must be paid for prior to the signatories completion of the online application. (Applications may be processed and the (GOEC) invoiced only where prior written agreement has been made with the lead signatory).

Community&Voluntary Services will:

Retain incomplete applications on the system for 1 month and then return to the applicant, shredding and or deleting and other documents relevant to the application.

Notify the (GOEC) upon receiving notification of a disclosure on the certificate issued.
