

# IS YOUR HOME AS SAFE AS HOUSES?

## A FREE home security assessment

### Community Crime Alert Project

- Are you aged 65 or over.
- Do you live in the Armagh, Banbridge or Craigavon Council area.
- Are you frightened of becoming a victim of a domestic burglary or bogus caller.
- Are you living with a fear of crime.

## Community Crime Alert Project

The way in which the scheme works is that the Community Safety Coordinator would call out and do a security assessment of the home looking at the following areas: good lighting, window locks, door locks, door bars/chains. They would then suggest some simple steps householders could be taking to make their home more secure.

There is a small starter pack of security items that could then be installed, free of charge, dependant on whether your home meets the project criteria.

**For more information please contact: Stephanie Rock on 0300 0300 900 ext 3013 or email [stephanie.rock@armaghbanbridgecraigavon.gov.uk](mailto:stephanie.rock@armaghbanbridgecraigavon.gov.uk)**

Or you could fill in your contact details below and post to: Stephanie Rock, Community Safety Coordinator for Older People, Council Offices, The Palace Demesne, Armagh, BT60 4EL
